

From the Teacher: K. Evans

Class: AP Statistics

Period: 6

Assignment: Week 5

Distance Learning 2020 Week 5

Review/Study for the AP Test (on Friday 5/22)

My office hours are 1 pm – 3 pm, M–F. You can reach me through Remind (class code: @evans-stat), email (kevans@tusd.net) or chat on Teams. Please continue to check your email regularly.

Ms. Evans will be holding a half hour meeting on Microsoft Teams to talk about reviewing these chapters/units and answer questions on two days during the week. Check in Teams in the posts or the calendar to find the exact time and day.

Week 5: Day 1-5: Study for the AP Test!! Below are videos on somethings that would be good to review this week before the AP Test

AP videos

[Rubric Grading FRQs](#)

[Understanding and Interpreting the P-value](#)

[Common Student Errors and Knowing Your Formula Sheet](#)

[Name That Significance Test](#)

You can find the documents that they use during the videos [here](#) (from April 27th to April 30th)

No Assignment for this week, spend it studying for this and any other AP test you have this week!
