

## Career Center Event Calendar: Dates as of 08-24-2022

**IMPORTANT!** College Admissions Presentations are back in person this year! These dates and times are set aside just for West High students! Be sure to sign up in the Career Center at least one day in advance for any presentation. By following these instructions, this allows time to notify your teacher and get permission to miss class or part of class to attend. *Note: Most presentations run 30-45 minutes in length except for application workshops.*

**NOTE:** Submission period for UC is October 1-November 30, 2022 and CSU is November 1-30, 2022. Use Common App to apply to most private universities. Application periods vary for private institutions, some have early decision by November 15, 2022 with later deadlines into January-April 2023. Check private institution websites for exact dates. Some private institutions may be part of the WUE (Western Undergraduate Exchange) and out of state fees may be waived or reduced. Visit the WUE website here for more information: <https://www.wiche.edu/tuition-savings/wue/>

**FOR ALL APPLICATIONS:** Do not use a TUSD issued email. Your TUSD email shuts down when you graduate. It is advised you choose a consistent email (gmail, icloud, etc.) and use that same email for all your applications. Once your application is received by a college or university, they will issue you an email and/or portal from that school to check the status of your application. **BE SURE TO READ EVERYTHING PROVIDED TO YOU!** Get in the habit of checking your college issued emails/portals each week to see if any additional information is being requested or if there are deadlines for futher documentation. Be sure to write down all your emails and passwords during the college application process. Remember, it is very difficult to change emails during this process and information may be easily lost or unable to retrieve if you change your email after an application is submitted.
