

Mr. Dell'Aringa

## SEA Pre-AP Summer Assignment

Since we are still uncertain of what the fall will look like, my summer assignment is going to be a different than it typically would. There are going to be a few tasks that students are asked to complete but most will not be related to Literature. It is important that we are able to stay in contact during the fall so that in the event there is another bout of distance learning, we are better prepared and be more efficient. With that said, the list of tasks is listed below:

### Task 1:

Join the SEA Pre-AP remind. See the attached Remind instructions for details.

### Task 2:

Send an introduction email to [ddellaringa@tusd.net](mailto:ddellaringa@tusd.net). In the subject line of the email type your First and Last Name. In the email answer the following:

- Why you are taking pre-AP English?
- What are your goals for next year's Pre-AP English class?
- What Literature and Language skills do you bring with you to this class?
- Tell me one thing about yourself that you think is interesting.
- What is your preferred email address?
- Do you have access to your Office 365 Account?
- Are you familiar with Microsoft Teams?

### Task 3:

Type a 1 page essay reflecting on the work you did during the 5 weeks of distance learning. It should be typed in MLA format. Bring the essay with you on the first day of class. In the event that we are not able to turn the work in physically, I will also make it available through Microsoft Teams. Over the summer all students will be added to a Team and assignments will be posted there.

If there are any questions please email [ddellaringa@tusd.net](mailto:ddellaringa@tusd.net)

I look forward to working with all of you!

Sincerely,

Mr. Dell'Aringa
