Hello, all 5TH period ACC Support students. I hope you are doing well and staying safe? This has been a difficult time for everyone, but we will get through! We are starting Distance Learning, and the work you will receive starting April 20th will count towards your 4th quarter grade. Please get your work completed and turned in, let's finish the school year strong! Here is the work for the 1st week of Distance Learning. Feel free to contact me with questions or just to say hello.

Distance Learning:

For ACC Support, I need to check in with you each week and see if you need any help or have any questions. I can also assist you if need to get a hold of a teacher.

HOW ARE YOUR GOING TO DO THIS?? You have some options when it comes to completing this contact. **I NEED TO TALK TO YOU!** For your 4th quarter grade, we need to either email, text, or call each other every week. We only need to contact each other once a week for your grade, but I'm available any time and as many times as you need me. I'm here to help you! I will log our contact just like collecting your weekly progress reports.

Graded weekly contacts:

April 20th – April 24th

April 27th – May 1st

May 4th - May 8th

May 10th – May 15th

Make good choices and stay safe!
