**Tracy, Calif.** – Tracy Unified School District is pleased to welcome back Brandy Campbell to the position of Director of Food Services.

Ms. Campbell's experience includes working as the Director of Child Nutrition Services at Pleasanton Unified School District and in 2017 was the Director of Food Services for Tracy Unified School District. This past year she was with Manteca Unified and we are now glad to have her back in TUSD. She holds a Bachelor's of Science degree in Nutrition Science. In this position, she is responsible for the overall operations of all food service programs district-wide and will oversee 100 staff members in that department.

"We are happy to have Brandy return to Tracy Unified and look forward to working with her again" said Superintendent Brian Stephens. Campbell is replacing our current Director, Lois McDaniel, who will be retiring at the end of this school year. Campbell will begin this position on July 1<sup>st</sup>.
